

Dear Parents,

Just a few notices to start the term:

### Sleepover

Unfortunately we did not get a lot of response regarding the sleepover so we have decided not to do one this year. The date also now clashes with the Hornets Football presentation day (and it's my birthday!)- but it was difficult to find any better weekend. Apologies for any disappointment caused – we will endeavour to do one next year!

### Group day

We are still taking bookings for the group day on Sunday 19 September. Please ask a leader re details.

### Mercury Leaders

As mentioned last term, Helen Tims has had to leave us and Bryony Roberts will away from Beavers due to study commitments for the first half term. However we have two new leaders for Mercury – Niki Davis and Tara Greaves who will be starting with us and we also welcome Keith Evans to Mars Beavers on a Friday. We are very grateful to them for offering to help. We have also set up a parent rota for Mercury for this term.

Many thanks

Alison (Otter)
